Internship Information			
How did you hear about the internship? _____			
Have you ever been to Cloud Mountain Farm Center? _____			
If yes, when? _____			

Please answer each of the following questions with each response being 300 words or less:

1. Please describe your previous experience in farming.
2. This is a rigorous program with high expectations of active participation and engagement. Explain how this training fits into your future plans.
3. How do you envision your career after this internship?
4. What are 3 outcomes you are hoping to get out of this program?
5. The nature of farming and gardening is physically demanding and our educational setting requires personal motivation and self-discipline. Given this context, please tell us how you imagine staying motivated for the full 9 month program?
